Portfolio: aliportfolio1580.netlify.app

Professional Summary

Motivated and detail-oriented Frontend Developer skilled in building modern, responsive, and dynamic web applications using React.js, Tailwind CSS, and Redux Toolkit. Experienced in component-based architecture, API integration, and state management. Passionate about creating clean, maintainable, and user-friendly UIs. Seeking a React Developer or Frontend Intern position to contribute to real-world projects and grow in a collaborative environment.

Technical Skills

Frontend Technologies: React.js, JavaScript (ES6+), HTML5, CSS3, JSX
Styling & Responsiveness: Tailwind CSS, CSS Animations, Flexbox, Grid, Responsive Design
State Management: Redux Toolkit (RTK), React Hooks (useState, useEffect, useReducer)
Routing & APIs: React Router, REST APIs, Fetch & Axios
Version Control & Tools: Git, GitHub, VS Code, Chrome DevTools
Soft Skills: Problem-solving, debugging, teamwork, adaptability, attention to detail

Key Projects

Scentra – Perfume E-commerce Store (React.js, Redux Toolkit, Tailwind CSS)
- Built a fully responsive e-commerce site with Redux Toolkit for cart management.
- Integrated FakeStore API for product data and implemented search & filtering features.

Weather App (React.js, OpenWeather API)
- Developed a responsive app that displays real-time weather data fetched via API.
- Used dynamic state updates and conditional rendering for user interaction.

University Admission Form (React.js, Form Validation)
- Created a multi-field admission form with validation and smooth user flow.
- Managed form state efficiently using React Hooks.

Calculator App (HTML, CSS, JavaScript)
- Built a functional calculator with clean UI and interactive operations.

Education

BS in Computer Science (In Progress) – Government Graduate College Asghar Mall, Rawalpindi

Strengths & Attributes

- Strong foundation in React.js, Redux Toolkit, and Tailwind CSS
- Keen focus on responsive design and clean, modular code
- Fast learner with passion for continuous improvement
- Reliable team player and effective problem-solver

Achievements

- Completed 4+ months of React.js project-based learning
- Built multiple fully functional web projects using modern tools
- Continuously enhancing expertise in React ecosystem and frontend best practices
